

Houdini Farms Summer Camp

Summer Camp is filled with a fun educational week filled with everything related to horses and ponies! Our Campers will get daily mounted riding lessons as well with daily barn duties (horse care, grooming, etc.). Additionally, campers will learn daily information on what our horse and ponies need from day to day care such as tack cleaning, vet/farrier care, and body parts of the horse. After lunch the kids will have plenty of free time to hang out with their friends and play- kid size horse jumps, crafts and games and fishing! At the end of the week the kid will get to participate in a horse show and can invite their friends and family to come watch and show them what they've learned throughout the week!
